designer series

personalized design

inbox & mailbox

Send invitations and follow-up communications via email, print (we print, stamp & mail for you), sms, customized event web page and social networks all from a single platform with *pingg surroundSend*.

custom event web page

Add Flickr photos, YouTube videos, gift & charity registries, Google maps, and more.

advanced tools

Easily and simply track which guests opened an invite or visited an event web page. Tag and sort guest lists and export them for check-in. Great tools aren't just for the professionals anymore.

about pingg:

pingg is an invitation creation and event management site. With pingg, hosts can create, send and manage stylish online and print invitations from one location. With its unique designs, integrated print features, customized event web page and easy to use tools, pingg brings style, functionality, and personality to events you plan on the web.
